NCL'S NEW SHIP, THE BREAKAWAY: NY, FLORIDA, THE BAHAMAS
SO EXCITING, YET SO AFFORDABLE

NORWEGIAN BREAKAWAY is the newest, largest and most exciting ship to ever homeport year-round in New York City. It boasts:

- A New York style supper club, The Manhattan Room
- The Waterfront, a quarter-mile oceanfront promenade of shops, bars, and restaurants
- 28 dining options, more than any ship at sea
- Award winning entertainment lineup that showcases three live Broadway shows
- O'Sheehan's Neighborhood Bar & Grill, open 24 hours
- The Breakaway Casino, one of the largest at sea, and
- 678 OCEAN PLACE

678 OCEAN PLACE is the heart of Norwegian Breakaway. Marvel at the showcase chandelier and the dazzling glass staircases that elegantly spiral up and down connecting three decks of daytime and nighttime entertainment. Then there are the 2 swimming pools, the multi-level waterslides, the rock-climbing wall, The Plank, which extends 8 feet over the side of the ship, and too much more for us to describe for you here. You'll have to join us to see it all. And, in addition to the optional specialty dining venues such as the Iron Chef Geoffrey Zakarian's Ocean Blue, there are several complimentary dining options, including "Taste", "Savor", the beautiful Manhattan Dining Room, and O'Sheehan's Neighborhood Bar & Grill. Of course, there are myriad onboard activities, room service, and access to all the entertainment – blues and jazz club, dueling piano bar, theatrical spectaculars, and more. Last, but not least, you'll enjoy a private cocktail party hosted by Adventure Travel and myself, and three of my shows with Charlie Warwick, exclusively for you along the way, including our famous Bobby Byrne St. Patrick's Day Show.

INNOVATIVE NEW SHIP – BAYONNE DEPARTURE – 10 DAYS TO THE CARIBBEAN
WOW!

It's the only word to describe this ground-breaking new Royal Caribbean ship. It quite literally takes a quantum leap forward in cruising technology: inside staterooms that have 80 inch virtual balconies displaying live views of the outdoors; North Star Observation Pod that gives views 300 feet above the sea; a circus school with a flying trapeze; bumper cars and roller skating; a skydiving experience called RipCord; and that's not all. Staterooms are 9% larger than average. There are cabins for single travelers, including single cabins with balconies. There are transformational sports and entertainment venues like Seaplex and Two70° that morph from day to night. And Royal Caribbean promises "the most flexible dining options and more specialty restaurants than ever before" aboard this spectacular new ship which debuts November 2, 2014. A BOBBY BYRNE SURVEY

As a Vietnam veteran, I would like to make a return visit to that country. There are many tours available of Vietnam and Cambodia, many of which include the tunnels of Cu Chi, where I was stationed. If you are interested in such a trip, please email me at bobbybyrne@bobbybyrne.com. If there is enough interest, perhaps I could put a tour together.
