Hi Folks,

Charlie Warwick and I just returned from The Dominican Republic where we entertained a great group of Bobby Byrne fans at a tropical paradise called Dreams Punta Cana. We're taking a little time off now and getting back to work at the end of the month. See our entertainment schedule on page 2 for gigs through mid-June. Our "Summer Sunday" schedule for The Norwood Inn is not yet set, but we'll be there for Memorial Day Weekend. Our travel plans detailed in this newsletter include our Bermuda cruise in June and our New England/Canada cruise, featuring two and a half days in Quebec City, in September.

Now I'm sure this is the biggest news I have ever conveyed in this newsletter. It's a statement some folks have thought I would never make, but here it is.

I am planning to retire.

In March, I will be 75, and I've decided that that will be the magic number. I'm not closing up shop tomorrow, but I do have a plan for putting the career to bed. Our next Travel & Entertainment Newsletter, in May, will be our last. In it, we'll announce our final Bobby Byrne trips, and our farewell Bobby Byrne shows. My voice is as strong as ever, and I still get great joy from making people happy, so I'm sure the big question will be "Why?" Though there are various factors that inform that answer, I'm sure that those of you who have contemplated, and then embraced, retirement will understand when I say, "It's just time."

In the words of Willie Nelson, "Funny, how time slips away...."

Happy New Year to all. Keep those winter blues at bay; St. Patrick's Day will be here before you know it.

All the Best,

A handwritten signature in black ink that reads 'Bobby'.

LET ME SING: THE STORY OF BOBBY BYRNE

A Film by Alison Byrne on the life and career of her dad, with highlights of performances from showrooms, cruises, pubs, and clubs; interviews of fans, colleagues, and family; touching stories, great good humor, and a lot of laughs at the expense of the old man. If you're a Bobby Byrne fan, it's a great keepsake. And even if you're not, it's a wonderful film. The story itself is just short of an hour long, and there is another hour-plus of "DVD extras."
