Hi Folks,

After more than 40 years, sadly, this is the final edition of the Bobby Byrne Newsletter. As I announced in the last edition, I will be retiring soon, and I will be retiring the newsletter as well. What's most important now is that you need to make sure I have your email address so I can keep you informed, because I will still be performing on special occasions and hosting and entertaining on vacation cruises and tours at least through 2018. Please send it to me now at: [bobbybyrne@bobbybyrne.com](mailto:bobbybyrne@bobbybyrne.com). You can also submit it to me via my website at [bobbybyrne.com](http://bobbybyrne.com).

### **MY RETIREMENT PLANS**

#### **ENTERTAINMENT SCHEDULE**

**I Will Be Working A Full Schedule Through The Summer.**

**(OPENING DAY AT THE NORWOOD INN: SUNDAY, MAY 21<sup>ST</sup> AT 4:30)**

I will not be accepting any more bookings beyond Labor Day. Will I be stopping completely? NO! I will be organizing periodic shows for special occasions like Christmas, St. Patrick's Day, Memorial Day, and who knows, maybe St. Swithen's Day and April Fool's Day. They will be few and far between but they will be announced by email and on my website.

#### **TRAVEL SCHEDULE**

We have been to Germany, Austria, Italy, France and Canada, Alaska, New Orleans, the Grand Canyon, and so many more wonderful places, but it all started back in the '80's with a cruise to Bermuda and a tour of Ireland. This year we're cruising to Bermuda again (June 4<sup>th</sup>), and to New England and Canada (September 10<sup>th</sup>); so, I've decided to bookend my travel career in 2018 with a Final Bermuda Cruise (our 28<sup>th</sup>), and a Final Ireland Tour (I've lost count). Details of these "farewell tours" are inside.

**In the words of Carol Burnett: "I'm so glad we had this time together..."**

All the Best,

A handwritten signature in black ink that reads 'Bobby'.

**NORTHERN IRELAND**

The Giant's Causeway (a geological marvel or the work of the legendary giant, Finn McCoul – you decide); the famous walls of Derry; the reputed grave of St. Patrick; The Bushmill's Distillery; Titanic Belfast (the world's largest Titanic attraction, on the site where the ill-fated ship was built); The Crown Liquor Saloon (magnificently restored Victorian “gin palace” with gas lamps, heated foot rests, gorgeous snugs and stained glass); the popular Ulster Folk and Transport Museum; and much more.

**REPUBLIC OF IRELAND**

Donegal's magnificent Grand Atlantic Drive; the site of the Virgin Mary's appearance at Knock in Mayo; the little village of Cong, where The Quiet Man was filmed; jaunting car rides; spectacular scenery including the Cliffs of Moher, the Ring of Kerry, and the Dingle Peninsula; shopping and pub time in Galway, Killarney and Cork; dancing and song at Kate Kearney's Cottage and at our medieval banquet in a 15<sup>th</sup> century castle.
